HERITAGE GOLF GROUP OFFERS THE LEASE PROGRAM AT TPC MICHIGAN

SAN DIEGO, CA. – Heritage Golf Group is happy to offer the Lease Program at TPC Michigan. TPC Michigan is taking a new approach to private club membership with the select offering of the “Sign and Golf” lease membership. The membership offers the opportunity to join one of Michigan’s premier golf courses in order to entertain clients, friends, and family. With the value of the lease option, golfers can enjoy the luxury of private club membership without long-term commitment.

“People are mobile today and may not be in Metro-Detroit for 20 years like they have been in the past,” stated Lee Woodruff, general manager and director of golf at TPC Michigan. “We feel that offering a Membership Lease would be attractive to individuals who would like to join a private club, but might not be residing in this area permanently,” said Woodruff.

Pricing for the Lease Membership varies depending on the term of the lease including down and monthly payments. The program allows access to TPC Michigan with the ability to bring and send guests to the club, practice on a state-of-the-art practice facility and dine in the clubhouse.
