PORT ROYAL OPENS PREMIER CLUBHOUSE

The New Clubhouse Features Member Space and the New Robbers Row Grill

HILTON HEAD ISLAND, SC— Port Royal Golf & Racquet Club, part of The Heritage Collection on Hilton Head Island, has completed its new Clubhouse and Robbers Row Grill. The grand opening celebration will be held August 1, 2007.

Port Royal's new Clubhouse features over 15,000 sq. ft. of luxurious space including a 6,831 sq. ft veranda, a private area exclusively for members, and Robbers Row Grill, a spacious bar and grill for resort guests. Bloodworth Sharp Buster of Oveido, Fla. supervised the design and Frazier Construction, a family owned Hilton Head Island company, managed the construction on this large project. California based interior designer, Tina Mattei, specializes in creating warm and inviting interiors that are designed exclusively for Heritage Golf Group.

"We are so pleased with the new Clubhouse. We wanted to maintain the historical and traditional look of the previous Clubhouse, while at the same time creating an up to date casually elegant low country interior, and I think the team got it just right," said Ray Dznowski, director of operations for The Heritage Collection on Hilton Head Island. "Our members and guests will be treated to a new Clubhouse experience that will be the ideal setting for relaxing after a round of golf or game of tennis, as well as for entertaining family, friends, and business associates."
