ROBBERS ROW GRILL SIMMERS WITH SOUTHERN ELEGANCE
The Restaurant at the New Port Royal Clubhouse Charms Locals and Visitors

HILTON HEAD ISLAND, SC— Set inside the much anticipated 15,000 sq. ft. Clubhouse at Port Royal Golf Club is The Heritage Collection's latest gem, Robbers Row Grill. The restaurant features a delightful assortment of Southern favorites like Elvis' Fried Chicken Salad and a unique variety of homemade BBQ including the twelve hour "Forever Roasted Pulled Pork Sandwich". The new grill room must be seen to be appreciated and is the perfect venue for casual dining or entertaining with your family, friends and business associates.

Open to the public, residents and visitors alike will be pleased with Robbers Row Grill's relaxed elegance with indoor spaces as well as the outdoor veranda with a fireplace and views of the Port Royal Croquet Court and the Robbers Row Course.

"We wanted to create a specialized setting for local residents and visitors to come and enjoy outstanding food and drinks in a stylized yet casual environment. I think the design team and contractor created exactly the feel we were looking for." said Ray Dznowski, director of operations for The Heritage Collection on Hilton Head Island. "Alan Wieme, the national director of food & beverage for Heritage Golf Group, worked with our chef, Heath Prosser, and our team of dining room Ambassadors to select the perfect style of casually elegant service and unique blend of culinary delights that will quickly make Robber's Row Grill a local favorite and a 'must experience' for all."

Robbers Row Grill celebrates its grand opening on August 1, 2007. For more information or for reservations, please call (843) 681-1700.
